

Marine Safety Information Bulletin

14-24, Update 3

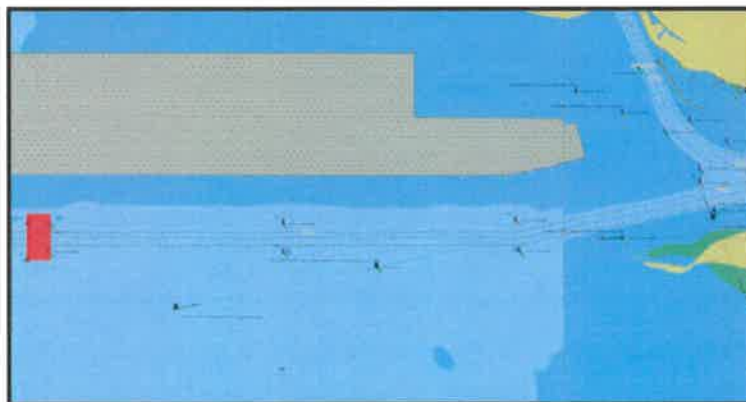

Safety Zone – Corpus Christi Ship Channel

Issue Date: May 31, 2024

SR Trident has informed the U.S. Coast Guard of updated schedule. Work will be conducted in the Corpus Christi Ship Channel, between mile markers 55 and 56, from June 1st, 2024 through June 30th, 2024 between the hours of 8pm and 6am of the next day, every day. This operation may impact navigation and may require vessels to take appropriate action for the protection of personnel, vessels, and the marine environment. The COTP is establishing a safety zone within the following coordinates during the work periods: 27° 48' 47.41"N, 97° 16' 49.55"W; 27° 48' 46.55"N, 97° 16' 54.8"W; 27° 48' 28.48"N, 97° 16' 58.94"W; 27° 48' 28.04"N, 97° 16' 51.42"W. No vessels 500GT or greater should transit through the safety zone without coordinating through the U.S. Coast Guard. Barges and associate tugs may transit the safety zone making proper arrangements with the vessels on scene.

The M/V CAPT TIMMY and M/V HADLEE GRACE will be monitoring VHF Channel 16 and working on VHF Channel 19.

Concerned parties with urgent concerns can contact the U.S. Coast Guard Sector Corpus Christi Command Center at 1-800-874-2143; or for non-urgent questions and concerns, email CCWaterways@uscg.mil.

A. GAROFALO

Lieutenant Commander, U.S. Coast Guard
By Direction of the Captain of the Port
